

Dear Families,

We are thrilled to share that our children in Years 5 and 6 recently participated in sessions facilitated by GAV (Gangs Against Violence). These sessions were highly effective, equipping our children with valuable strategies to ensure their safety. We are grateful for the opportunity to collaborate with such an important organisation.

It was lovely to see the families who joined us for our recent parent consultation sessions. Your active participation and engagement in your children's learning and well-being is very much appreciated. If you were unable to attend, please don't hesitate to reach out to the school office to schedule an appointment. Your involvement is crucial, and we value your input.

Looking ahead, we have an exciting week planned for our children. Next week, we will be visiting St. Augustine's Church as part of our school's curriculum. Additionally, our school discos will take place, welcoming children from Reception to Year 5. We extend our appreciation to our dedicated PTA for organising these events and many other exciting activities for our children.

Thank you for your ongoing support and involvement in our school community. Together, we can continue to provide enriching experiences and opportunities for our children's growth and development.

Yours sincerely,

Mrs Ferla and the PWP Team

Please can we ask that parents check their children's hair regularly for headlice to prevent them spreading around the school.
If you need help please contact the school office or check the NHS website.

A massive Thank you to everyone in our community for the donations of clothes, food and toiletries.
We are still open for anyone that was impacted by the fire to come and access these donations.

SCHOOL VALUES

The new focus value is Ambition.

EYFS- Reception have been trying their best to find some hidden dinosaurs around the school! They found some clues suggesting there may be dinosaurs around and they have created some posters that have been put around the school. Keep your eyes peeled for any evidence!

KS1- Year 2 have shown ambition in their writing when creating fact files about pumpkins. They are keen to include as many facts as possible to teach others about them.

KS2- Year 4 have been conducting different experiments looking at states of matter and are really wanting wanting to continue to develop their understanding of a change in state. We look forward to seeing where else you go with this!

World Book Day Competition

Here are some of our entries for our World Book Day competition. Monday will be the last day to bring any entries into school and competition winners will be announced on Wednesday 27th March.
