

Dear Families,

As we bid farewell to the Spring term, we're thrilled to share the highlights from the past week filled with excitement and meaningful experiences for our children.

Easter Service at St. Augustine's Church: Our children showcased their talents and represented our school admirably during the Easter service. Their singing truly resonated within the walls of St. Augustine's, leaving a lasting impression on all who attended.

Disco Event Thanks: A huge thank you to our dedicated PTA and Mr. Simmons for orchestrating a fantastic disco event! From Reception to Year 5, our children had a fabulous time, dancing the afternoon away and creating memories.

As we approach the Easter break, we encourage all families to embrace this time for relaxation and sharing time with families and friends. Whether you're enjoying some well-deserved downtime or celebrating the festive occasions of Easter or Eid al-Fitr, we wish you all a wonderful break.

Yours sincerely,

Mrs Ferla and the PWP Team

Please can we ask that parents check their children's hair regularly for headlice to prevent them spreading around the school.
If you need help please contact the school office or check the NHS website.

A massive Thank you to everyone in our community for the donations of clothes, food and toiletries.
We are still open for anyone that was impacted by the fire to come and access these donations.

We want to say a massive thank you to Mr Simmons for being the DJ at our school Disco's this week.

We also want to say a massive thank you to the PTA for organising such an amazing disco for Reception- Year 5!

Thank you!

Our winners from the school disco this week!

SCHOOL VALUES

The new focus value is Ambition.

EYFS- Reception have been really challenging themselves this week by making their own Easter cards and writing inside! They have worked hard to apply their phonics into their writing and have been very proud of their achievements.

KS1- Year 2 have been ambitious in trying new fruits linked to their topic and then have tried to identify where fruit originates from around the world.

KS2- Year 4 have set ambitions on becoming magicians after being very lucky to have a visit from a real magician this week! Thank yo to Jason, one of our Peareswood parents for coming in and creating awe and wonder for our children.
