Good morning,

We are pleased to announce that Peareswood Primary School is now live on Arbor, our new parent communication platform.

To create your account for the first time you will need to use a laptop or a computer and the Google Chrome web browser.

Please click on the link below. Your username will be your email address that you have given to the school. If this has recently changed, please let us know by emailing pwp.office@watschools.org.uk and putting "New Email Address", in the subject line, so we can locate and change this quickly. If we do not have your current email address, you will not be able to set up an account.

Once you have successfully logged in you will be able to download the Arbor App from either the Google Playstore on android phones or the Apple Store on iPhones. The App is a quick and easy way to make payments for lunches and read emails on the go! The link below is a quick guide to logging into the App.

Once we know you have logged on successfully, we will email details in regards lunch payments, for those of you that pay for your child's lunch. If you have any queries or problems logging in please take a screen shot of the error message and email to pwpoffice@watschools.org.uk putting in the subject line "Problem Logging On", so again we can find your email quickly and easily.

Kind regards.
