

Dear Families,

As we embark on another exciting academic year, I am thrilled to share with you the wonderful start our children have made this week with their learning. It has been heart warming to witness the enthusiasm and energy our students have brought to their new topics, and this week they have demonstrated they are ready to embrace new challenges, learn, and grow.

Beyond academic achievements, our children have shown exceptional character. They have displayed kindness, empathy, and respect towards one another, creating a warm and inclusive atmosphere in our school community. I am proud of how they have taken our new school values and embodied them in their daily interactions.

I want to take this opportunity to express my gratitude to our new families. Children new to Nursery and Reception had a wonderful start to their educational journey. It was clear to see the excellent preparation made by parents and carers to ensure their child's first day at school was both successful and memorable.

A couple of reminders for next week:

- Year group parent meetings Yrs. 1-5 9.00-9.30am
- Year 6 Early Morning Revision Club 8.30am Mon-Fri
- Early Morning phonics 8.30am Yr1 Mon-Wed, Yr2 Thurs-Fri

Have a lovely weekend.

## Reading Updates

We will be opening our community library next week. Situated between the Year 5 and Year 2 classrooms. Look out for Mrs Beresford at drop off if you have any questions.

We will also be launching a reading app called Sora for children to access at home and in school, so children can read books online or have books read to them. More information about how to access it will follow.

We will be launching Reading Champions next week. Two children from each class will be selected to help support reading for pleasure in their classes and across school.

### Meet the Teacher

Monday 11<sup>th</sup> September 2023

Dear Families,

You are warmly invited to a short, informal meeting next week to meet the teachers in your child's year group. This is for Years 1 to 5; Year 6 families will have a separate meeting offered to them. All meetings will take place at 9.00am-9.30am in the Training Room building next to the school garden. Please see allocated days below:

| Day       | Year Group |
|-----------|------------|
| Monday    | Year 4     |
| Tuesday   | Year 1     |
| Wednesday | Year 5     |
| Thursday  | Year 2     |
| Friday    | Year 3     |

Please drop your child off at school normal time then make your way to the Training Room. The meeting will last approximately 25 minutes and is an opportunity for the year group teachers to share some key information, including learning expectations so you are better informed to support your child's learning for the year ahead.

**We look forward to seeing you!**

Yours sincerely,

Mrs Carla Ferla  
Head Teacher

**SCHOOL VALUES**

This terms value is Pride-

EYFS- We are so proud of our Nursery and Reception children who started coming in for the full day this week. They have begun to understand their school routines and explore their classrooms. Well done EYFS!

KS1- Our Year 1 and 2 children have been working really hard on their phonics this week since coming back to school. We have started learning in our new focus groups and have been excited to share the sounds we have been looking at.

KS2- We are proud of our Year 3 children who have been going upstairs to their new classrooms this week, showing safety on the stairs and when walking around school.
