# FRIDAY 25TH APRIL 2025 ISSUE 27

Dear Families,

It has been a brilliant start to the new term, with so much excitement and engagement over the past four days.

Our children have returned full of curiosity and enthusiasm, diving straight into their new topics during our launch days. Year 2 enjoyed an unforgettable virtual flight to Mexico, kicking off their geography learning with colour and creativity. Across the school, pupils have enjoyed the immersive sessions delivered by Time Capsule, who brought history and key learning themes to life in ways that truly captured imaginations.

We were also thrilled by the fantastic turnout for our Mini Marathon. It was a real community event with children, staff and parents and carers all coming together. Thank you everyone who cheered, ran, walked or volunteered - it made for a memorable day that reflected the heart of our school community.

This half term, our new school value is **kindness**. We'll be exploring what it means to show kindness through our words and actions, and how we can support and uplift one another in school and beyond. Each class will be working towards nominating one child to receive the **Rock Kids Kindness Cap** - a special recognition for being an outstanding role model of kindness to others. We're excited to see how our pupils rise to this challenge and show just how powerful small acts of kindness can be.

This afternoon, our boys' football team are set to play a match, and we're all wishing them the very best. We know they will show great teamwork, sportsmanship, and represent the school with pride - go team!

Looking ahead to next week, pupils in Years 3, 4 and 5 will take part in a series of workshops facilitated by *Talk Consent*. These age-appropriate sessions are designed to build understanding and confidence around topics such as boundaries, healthy relationships, and consent. We know how important these conversations are in supporting our children's personal development and wellbeing, and we're pleased to be offering such a meaningful opportunity.

Finally, we'd like to wish Mr Campbell the very best of luck as he takes on the London Marathon this Sunday. We are all behind you, cheering you on every step of the way - **you've got this, Mr Campbell!** 

Thank you, as always, for your continued support.

Yours sincerely, Mrs Ferla and the PWP Team.

### **SCHOOL VALUES**

### The value this term is Kindness.

In EYFS, Reception have been looking at the book Superworm and learning all about the plants and animals you will find in a garden and how to be kind to them.

In KS1, Year 2 have been learning all about Mexico and discussing how to respect other cultures and beliefs.

KS2 have been revisiting what kindness means to them and how they can show kindness to their friends.
