Friday 31st March

Dear Parents and Carers,

From Friday 31st March, Year 6 children will be given homework to complete each night, including over the Easter holidays. This will be either Maths, English or Reading and once they return to school, the homework from the night before will be due in the following morning. The additional homework gives the children the opportunity to revise the skills they will need to use in their SATs, and provide them with an advantage when completing the tests. Each piece of homework will be accompanied by an explanation of the skills so that they can revise methods before applying it to questions.

Children will be provided with the answers to homework the following morning during early morning work.

Please encourage your child to complete the homework that is set and to ask their teacher if there is anything they do not understand.

The Year 6 Teaching Team.
