	Reception Summer 1 – In the Garden Topic Overview In Summer 1, the children will have a range of opportunities to explore the outdoors while the weather is better (h seasonal changes, focus on growth, and change through animals and plants. We will learn about all creatures genatural world.		
and start of	Big Bang We will begin our topic by visiting our school grounds and looking for what lives and grows in our gardens. Alon in May, we will invite the children to dress up as a garden creature and revisit the fantastic learning we have dor		
Our Learning Overview			
		<u>Key Texts</u>	
	MathematicsIn Maths, we will continue our knowledge of numbers and extend our learning to 20. We will revisit addition and subtraction and apply this with coins and money. For our daily Maths Meetings we will focus on doubling and halving numbers and counting in 2's, 5's and 10's.	SUPERWOR M	
In the Garden	Literacy Talk4Writing. We will focus on adjectives used in our stories and the vocabulary used to sequence events	ULL LOUGHOUT ATEL SCHELTTING	
	UnderstandingWe will learn about the lifecycle of different minibeasts and even create our own minibeast hotel. We will discuss the importance of looking after nature. We will also be growing our own herbs and vegetables and learning what they need to grow and observing the changes we notice.	by Dersen Centir - Pietures by Harry Hiss DIARY OFFLY	
	PSED We will be looking at hygiene and how best to keep safe from germs. We will also talk more about how to keep our bodies healthy with the foods we can grow ourselves.	15 Teanne Willis Teny Ross	
	Communication and Language This half term, we will be introducing key vocabulary linked to the outdoors and nature. We will be using magnifyers to observe what we can see and using our language to describe. We will also describe our likes and dislikes of different foods.	Tadpole's Promise	
	Expressive Art and Design In art and design, we will be colour mixing to create wonderful garden scenes and using our fine motor skills to manipulate clay to create our own minibeasts.	THE VERY III.NGAT CATERINGLAR Detector	
	Physical Development In physical development we will focus on ball skills as part of our weekly PE sessions. We will also be using our fine motor skills for threading, using twessers and improving our cutting skills.
