

Typical Day at a Peareswood Primary School LAC Meeting

This is a snapshot of our latest LAC meeting attended by Chair Governor Iona Wallace, Head Teacher Carla Ferla, Teacher Emily King, Parent Governor Fiona Lee and School Business Manager Jane Percival.

We started with our LAC members on the gate meeting and greeting the children and parents/carers as they came in. Emily then gave Iona and Fiona, a tour of the school visiting classrooms and speaking with the children. Back to matters in hand we then had coffee and breakfast whilst we discussed what goes on at Peareswood.

There is so much that can be brought to the table by a Parent Governor. We need somebody from the community with life experiences to influence and contribute to the Peareswood family where our aim is to ignite the spark, reveal the champion.
