

Year 4 Summer 2

Who Let the Gods Out?

Big Bang

Dressing up as Greek God or Goddess. Activities will explore the roles of Gods and Goddesses in Ancient Greece.

Pride Time

N/A

Learning Outside of the Classroom

Greek Olympic games outside.

Who Let the Gods out?

English

Children will be learning about their topic 'Who Let the Gods out?' through their writing. They will be writing an adventure story based on Pandora's box and then also an instructional text on how to care for a creature.

Maths

Children will be focusing on their times tables to prepare them for the times tables test. They will also continue looking at the 4 operations using formal methods and using these methods to complete two-step problems.

Science

The children will be investigating sound including how sounds are made and how sounds travel.

History

Children will learn about the lasting impact of the Ancient Greeks on: democracy, architecture, art, mathematical and scientific thinking, culture and literature. They will look at the Athenians and Spartans in detail and their ongoing wars and look at how the Ancient Greek Empire expanded through invasions and conquests by Alexander the Great.

Art/DT

In this term, children will be looking at Ancient Greek vases and begin to design and create their own 3D forms using paper mâché, thinking carefully about shape and form.

Music

Children will continue to learn chords on the ukulele, revising ones learned earlier in the year.

Computing

In computing this term, children will be deepening their knowledge and skills in coding by using Scratch, building on their previous learning.

R.E.

Children will be looking at why do some people think that life is a journey, learning about different religions to support this. They will be able to describe what happens in Christian, Jewish and Hindu ceremonies of commitment and compare similarities and differences.

P.E.

This term will focus on rounders. Children will practice their throwing and batting techniques whilst learning the rules of the game.

Personal Development

Children will be focusing on creativity and curiosity. Continuing to also learn about British Values and how these work in society.
