

Year 2 Spring 2

Roots, Shoots and Juicy Fruits

Big Bang

Exploring different fruit and vegetables through art, writing and sniffing activities!

Pride Time

We will be sharing our work on Showbie and through social media.

Learning Outside of the Classroom

We will be having workshops about food from around the world.

Roots, Shoots and Juicy Fruits

English

This term we will be using the text Pattan's Pumpkin to write stories based on the Indian Folktale. We will be learning the story and then changing elements to create our own versions. We will also be completing a piece of non-fiction writing using the book Handa's Surprise as a stimulus.

Maths

This term pupils will be learning about fractions, measurement and statistics. We will be consolidating our learning around the four operations.

Science

The Science focus this term will be around plants. We will be looking at parts of plants, what plants need to survive and plant lifecycles.

Geography

In Geography, we will be exploring the origins of where our food comes from. We will be exploring different fruits and vegetables that come from all over the world and the conditions they need to grow.

Art

In Art we will be developing our painting skills. We will be exploring primary, secondary and tertiary colours while exploring the work of Monet. We will be applying our learning by creating a water colour representation of Monet's work.

Music

In Music, we will have a Music Food Fest. We will be learning new songs about food, whilst looking at different sounds instruments make. Finally we will be listening out for changes in pitch and learning about the structure of a song.

Computing

In Computing we will be learning how to use a search engine to collect data. We will be creating a presentation about food based on the information we find.

R.E.

The focus question for RE this term is 'How and why do we celebrate sacred and special times?'. We will be looking at how people from different religions celebrate their special times while discussing how we celebrate special times.

P.E.

In PE the children will be focussing on continuing to develop their fundamental skills. In addition they will be learning striking and field games.

Personal Development

This term the focus is on Independence and Resilience. Pupils will focus on independence in their learning and the importance of working hard and how it will support them later in life.

Core Books
