### **Big Bang**

The children will explore the Roman era with Time Capsule. They will get to dress up as a Roman for the day too.

### **Pride Time**

To make a mosaic with their adults using paper and card.

### **Learning Outside of the Classroom**

Battle re-enactment on the field.

## Ruthless Romans

### English

This term pupils will be using the text a Roman soldier's handbook. Using the Talk 4 Writing approach, they will develop their knowledge of writing rags to riches story. Furthering this, they will also write a journal from the perspective of a Roman soldier.

### Maths

This term pupils will develop their understanding of fractions with a focus on adding and subtracting fractions and finding fractions of a quantity. They will also look at telling time to the nearest minute using a 24hr clock. They will look at geometry, property of shapes and angles.

### History

In term 5, students will gain a deeper of an extended chronological study. Pupils will look at the legacy of the Roman Empire and what is was like in the Roman era.

### Art/DT

The children will learn how to design and create a Roman tunic. They will be developing their joining and stitching skills when designing, creating and evaluating their finished product.

### Music

For the Romans topic, the children will be looking at Ancient Roman instruments and comparing them to instruments they know today. They will learn some fun songs about the Romans and consider techniques for singing including posture and breathing.

### Computing

We will be working with iPads to develop our coding skills to write successful algorithms using Scratch.

### R.E.

This term children will be developing their understanding of faith and Christianity throughout Britain.

### P.E.

This term we are focusing on learning how to create symmetrical and assymetrical balances in gymnastics and and pracing their athletics skills.

### Personal Development

This term the focus is on pride, aspiration and achievement. Pupils will focus on developing their understanding of how to have a healthy body and mind.

### Core Books
