

Year 3 Summer 2

Viva España!

Pride Time

N/A

Big Bang

Pupils will be dressing up as we explore Spanish traditions and fiestas, Spanish cuisine and learning a Spanish song. Pupils will show their understanding by creating an iMovie to advertise Spain to tourists.

Learning Outside of the Classroom

This half term, we will be planting flowers and seeing what conditions they need to grow best.

Viva España!

English

Pupils will be looking at writing letters and non-fiction writing along with creating a brochure to encourage people to visit Spain.

Maths

Pupils will be focusing on a range of maths topics identified as areas for consolidation including time, shape and statistics.

Science

Science this term will focus on plants. Children will identify different parts of the plant and their function.

Geography

Pupils will be looking at Spain and its physical and human features. They will look at the climate in Spain and how regions differ. They will then use this knowledge to compare Spain with the UK.

Art/DT

Children will be studying the work of a famous Spanish artist and producing work of their own in this style - Pablo Picasso.

Music

In Music, pupils will return to the ukuleles to learn a new song.

Computing

Children will be focusing on their rights and responsibilities. They will delve into how these can affect their relationships and reflect on their own choices.

R.E.

This term the children will be continuing to develop their understanding of how Christians live today.

P.E.

Pupils will be playing cricket next half term and learning how to bowl and bat. They will also be building on their gymnastics skills by being introduced to the ropes and wall ladders.

Personal Development

Children will be focusing on their rights and responsibilities. They will delve into how these can affect their relationships and reflect on their own choices.
