

Year 4 Spring 2

Harry Potter and the Classroom of Secrets.

Big Bang

Children will be having Time Capsule Education coming in for a day of exciting activities based on fantasy worlds. This will be a dress up day.

Pride Time

There is no Pride time this term.

Learning Outside of the Classroom

The children will be outside observing natural features to help with character descriptions in our writing.

Harry Potter and the Classroom of Secrets

English

This term, children will be using their core book, Harry Potter and the Philosopher's Stone, to help create engaging and challenging writing; including a finding story with a magical outcome and biography based on Leon and the Place Between.

Maths

In maths, children will be focusing on fractions which include identifying the numerator and denominator, finding fractions of a number, adding and subtracting fractions. They will also be learning about decimals including dividing 1 and 2 digit numbers by 10.

Science

Science this term will focus on states of matter and the links between the changing states things can transform into from a solid to a liquid to a gas and back again.

History

Pupils will look at the history of magic and placing famous magicians on a timeline.

Art/DT

Children will develop their knowledge of shell structures and their skills of building them. They will use computer aided design to design a book with a secret compartment.

Music

Children will be revisiting their skills playing the ukulele and learning the song 'a spoon full of sugar.'

Computing

This term, children will design, write and debug programmes that accomplish specific goals, including controlling or simulating physical systems and solving problems by decomposing them into smaller parts.

R.E.

This half term, the children will be learning about different religions and their belief systems along with how these different belief systems have affected even non-religious people's lives. Children will be learning about different religious teachings e.g. the ten commandments.

P.E.

Children will be practicing their hand eye coordination and working together as a team in tennis this term.

Personal Development

This term the focus is on resilience, independence and tolerance. Pupils will focus on e-safety and being a good friend.
