

<p>Year 5 Autumn 2 Reach for the Stars</p>	<p>Pride Time N/A</p>
<p>Big Bang Children will immerse themselves into a sensory classroom based on space. They will create a cardboard rocket, alien slime, a play-dough alien, and will explore the planets using their senses.</p>	<p>Learning Outside of the Classroom Create planets and take them outside to form a scaled down version of the solar system.</p>

Reach for the Stars

English	We will also be using the text <i>George's Secret Key to the Universe</i> to write a magazine article documenting the mood landing and a narrative about exploring the universe.
Maths	In Maths, pupils will continue focusing on addition, multiplication and division and fractions. Pupils will learn how to apply this knowledge to word problems.
Science	We will focus on earth and space and will be exploring the movement of earth, the moon and other planets and exploring how this explains day and night.
History	In History, we will be exploring the history of flight and how it has changed over time. We will also study space travel including the Space Race.
Art/DT	In Art/DT, children will focus on the artist David Kockney and will create their own digital piece of art through drawing and painting programmes and photo manipulation.
Music	In Music, we will focus on looking Gustav Holst's Planet Suite.
Computing	Pupils will be using coding to learn how to create their own programmes in Micro Bit.
R.E.	This term the focus is Christians, Hindus and Jewish people. Children will look at places of worship and exploring religious buildings.
P.E.	Netball and hockey are the focus this term. Dribbling, passing and movement skills, short/long distance shooting, control, attacking/defending based activities and small sided games will be practiced.
Personal Development	This term the focus is on cooperation, teamwork and equality within our school, Erith and the wider community.

Core Books
